12/18/94 Date Arrested for DUI Parma Hts. Close to 11/19 date too close to be coincidence. Was setup for ticket Browns Football game scheduled for 18th not on 12 -19. Watching game at bar used to get me in town.

As you can see there are "number games" that have been played and even the state had participated. This is one of the reasons people don't want me having the truck and wanted it gone.
